

August 2009

My apologies for not getting a picture of the tables, but I was collecting and recording membership dues. I was able to get the following information on the results of the auction.

Elizabeth, Rita and Betsey report that the Silent Auction raised \$350.00, half of which will go to the Emergency Food Bank, and the rest to the AANC budget. There were so many beautiful, useful, creative items - even goodies to take home for a Summer meal! Members were very generous in bringing items that all of us wanted to have...

We had a great time, and a lot of fun.
